Erratum to “Effect of treatment with the nonsteroidal antiinflammatory meloxicam on milk production, somatic cell count, probability of re-treatment, and culling of dairy cows with mild clinical mastitis” (J. Dairy Sci. 92:4421–4431)

S. McDougall, M. A. Bryan, and R. M. Tiddy

An out-of-date version of Figure 5 was presented on page 4429. The corrected version of the figure is presented here.

The authors regret the error.

McDougall, S., M. A. Bryan, and R. M. Tiddy. 2009. Effect of treatment with the nonsteroidal antiinflammatory meloxicam on milk production, somatic cell count, probability of re-treatment, and culling of dairy cows with mild clinical mastitis. J. Dairy Sci. 92(9):4421–4431

Figure 5. Cumulative percentage of cows with clinical mastitis treated with penethamate hydriodide and either meloxicam (●) or the vehicle (control; Δ) that were removed (culled) during the 45 wk after enrollment.
