Erratum to “Assessment of archaeol as a molecular proxy for methane production in cattle” (J. Dairy Sci. 96:1211–1217)

C. A. McCartney, I. D. Bull, T. Yan, and R. J. Dewhurst

An error is noted in the final sentence of the Results section on page 1214. The corrected sentence (corrected text in bold) reads “Period was coded **0** for early lactation and **1** for mid lactation.”

The authors regret the error.
