Erratum to “Supplementation of prepartum dairy cows with β -carotene” (J. Dairy Sci. 98:6304–6314)

R. C. Oliveira, B. M. Guerreiro, N. N. Morais Junior, R. L. Araujo, R. A. N. Pereira, and M. N. Pereira

In Table 4 (page 6308), the title of the table was incorrect. The correct title (corrected text in bold) for Table 4 is “Milk somatic cell count, colostrum density, and milk yield and solids content for primiparous (Prim) and multiparous (Mult) cows on control **or** β -carotene treatments.” In Table 5 (page 6308), the title of the table was incorrect. The correct title is “Proportion of health and reproductive events for primiparous cows on control **or** β -carotene treatments.” In Table 6 (page 6309), the title of the table was also incorrect. The correct title is “Proportion of health and reproductive events for multiparous cows on control **or** β -carotene treatments.”

The journal regrets the error.
