Corrigendum to “Weather influences feed intake and feed efficiency in a temperate climate” (J. Dairy Sci. 100:2240–2257)

Davina L. Hill and Eileen Wall

On page 2255, a reference was incorrectly cited. The corrected reference is shown here:

Erbez, M., D. Falta, and G. Chládek. 2010. The relationship between temperature and humidity outside and inside of a permanently open-sided cows' barn. *Acta Universitatis Agriculturae et Silviculturae Mendelianae Brunensis* Brno, Česká Republika LVIII:91–96.

The reference was cited on page 2254 as Erbez and Chládek (2010), which should be Erbez et al. (2010). The authors regret the errors.
