Corrigendum to “Evaluation by employees of employee management on large US dairy farms” (J. Dairy Sci. 101:7450–7462)

Phillip T. Durst, Stanley J. Moore, Caroline Ritter, and Herman W. Barkema

An error was made in the first paragraph of Materials and Methods on page 7451 (error in italics; correction in bold). The sentence “Each farm owner signed a contract to participate in the project *and was paid* a project fee based on the number of employees on the farm” should read “Each farm owner signed a contract to participate in the project **and paid** a project fee based on the number of employees on the farm.”

The authors regret the error.
