Erratum to “Distribution of hydrophilic and lipophilic antibacterial drugs in skim milk, cream, and casein” (J. Dairy Sci. 101:10694–10702)

Z. Ozdemir, B. Tras, and K. Uney

On page 10697, the following sentence in the Method Validation section was incorrect: “Acceptance criteria for accuracy and precision were as CV <15% and bias within $\pm 15\%$, respectively.” The sentence should read (corrections in bold): “Acceptance criteria for **precision and accuracy** were **as follows**: CV <15% and bias within $\pm 15\%$, respectively.”

The journal regrets the error.
