Corrigendum to “Fermented Maillard reaction products attenuate stress-induced testicular dysfunction in mice” (J. Dairy Sci. 104:1384–1396)

Jae Yeon Joung, Ji Sun Lee, Nam Su Oh, and Sae Hun Kim

The Acknowledgments section (pages 1391–1392) included incorrect funding information. The funding statement should read (corrected information in bold) “This research was supported by the National Research Foundation (NRF) of Korea (**NRF-2020R1F1A1055542**).”

The authors regret the error.
