Notice of Proposed Changes to the ADSA® Dairy Foods Division Bylaws
The proposed change is to enable amending the bylaws in a more cost effective and flexible manner. Proposed change to Article IV, Interpretation and Amendments, Section 2:

- **From:** Section 2. Bylaws may be amended by affirmative vote of three-fourths of those Professional Members voting on the amendment at the Annual Meeting of the Division after the proposed amendment has been presented in writing to the Dairy Foods Council and published in the *Journal of Dairy Science*.
- **To:** Section 2. Bylaws may be amended by affirmative vote of three-fourths of those Professional Members voting via email on the amendment that has been presented in writing to the Dairy Foods Council and emailed to the Dairy Foods Division members.

2017 ADSA® Member-Author Loyalty Rewards Program
To recognize loyal ADSA members who are core contributing authors to the *Journal of Dairy Science*, ADSA is continuing the Member-Author Loyalty Rewards Program begun in 2014. Corresponding authors who have been members of ADSA for at least 5 consecutive years, have published at least 4 articles in the 3 most recent complete volumes, and are active reviewers for the journal qualify automatically. The recipients listed below are acknowledged for having published papers in volumes 97, 98, and 99 (2014–2016) of the *Journal of Dairy Science*. Recipients are exempt from page charges (up to 10 pages) for one article published or accepted in the year following the qualifying period (2017 for the 2014–2014 period).
ADSA recognizes and thanks the following ADSA members for their significant contributions to, and support of, the *Journal of Dairy Science*, ADSA, and the global dairy industry.
