Corrigendum to “Annual rhythms of milk synthesis in dairy herds in 4 regions of the United States and their relationships to environmental indicators” (J. Dairy Sci. 103:3696–3707)

I. J. Salfer, P. A. Bartell, C. D. Dechow, and K. J. Harvatine

In the supplemental tables for this paper (<https://doi.org/10.3168/jds.2019-17362>), the adjustment factors were not standardized in the same way. Revised supplemental tables are now available online.

The authors regret the errors.
